## New Range Status

The new range proposal is in committee and should be voted on in an open public Escambia County Commission meeting either later this month or early April. Once approved, transfer of property will be given to the State of Florida and PBA will be given a key and access rights. We have never been closer. We will be shooting soon! Ω

## March Shoot Dates

Due to the PBA currently finalizing plans for a new range, there aren't any shoots officially planned at this time.

As soon as plans are finalized information will be put out to all members and the community regarding place and time of events.

## 2<sup>nd</sup> Leg Southern Triple Crown

March 27 – 29 Panhandle Bowhunters Association will be hosting the 2<sup>nd</sup> Leg of the Southern Triple Crown. As in years past, all members will be asked to assist in any way you are able. We will be clearing trails, raising targets, water jugs and anything else. We will be in the building this year so that is great news. When additional information is received it will be disseminated to PBA members ASAP! In the mean time, clear your calendars and help make the 2009 2<sup>nd</sup> Leg of the Southern Triple Crown a great success! Ω

## Men's Barn Meeting

On the 2<sup>nd</sup> Tuesday of every month, there is a men's barn meeting in Molino at 5800 Pilgrim Trail West, Molino FL 32577. At this monthly event you get a free streak dinner and get to listen to some great presentations on hunting and other outdoor related topics. The biggest draw is the meeting in January where big game mounts from all over the world are on display. The location of the meeting is in a barn next to a beautiful lake. I can guarantee you will have a wonderful time and the food is excellent. For more info log on to <http://www.trophiesofgrace.net> Ω
